

Chad Bahan

Pension Benefit Guaranty Corporation

Chad Bahan is a distinguished cybersecurity expert and a Federal Program Manager with the Pension Benefit Guaranty Corporation (PBGC). In this role, he oversees the implementation of several crucial programs, including Cyber Supply Chain Risk Management (C-SCRM), Security Incident Management (SIM), Threat Hunting, Enterprise Cybersecurity Analysis Program, and Operations Security (OPSEC). Chad brings over 22 years of experience in cybersecurity, and his expertise has been sought after by several federal agencies, including the Department of Justice (DOJ), U.S. Marshals Service (USMS), Internal Revenue Service (IRS), and Federal Communications Commission (FCC).

Chad's deep understanding of the nuances of cybersecurity has been honed over the years, and he has a proven track record of delivering results in challenging environments. His contributions have been invaluable to the success of various federal programs, and his insights have helped to shape the cybersecurity landscape for the better.

Prior to his work in the federal sector, Chad served his country with distinction for 8 years in the Air Force. He is a consummate professional, and his dedication to excellence is evident in everything he does. Whether he is managing complex programs or providing guidance to fellow cybersecurity professionals, Chad brings a wealth of knowledge and experience to the table.
