

DEPARTMENT OF HOMELAND SECURITY

OFFICE OF THE CHIEF INFORMATION OFFICER

BIOGRAPHIES

Michael Donnelly

GEOSPATIAL INFORMATION OFFICER (GIO)

[Geospatial Management Office \(GMO\)](#)

Michael Donnelly is the Department of Homeland Security Geospatial Information Officer (GIO) and has led initiatives as the GIO since 2019. Mr. Donnelly has over 20 years of experience across Federal and Local Government as well as Private Sector. As the GIO, Mr. Donnelly leads the Geospatial Management Office (GMO) and provides strategic direction, policy, technical assistance, and oversight to ensure geospatial information and technology assists in the Department's missions. He also oversees the DHS Common Operation Picture (COP), Geospatial Information Infrastructure (GII), Homeland Infrastructure Foundation Level Data (HIFLD) Program, and Geospatial Data Act (GDA) Implementation. Mr. Donnelly has a BS in Physical Geography from Louisiana State University and a ME in Systems Engineering from the University of Virginia.
